

Huddly GO compliance information

**HU
DDLY**

FCC compliance statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications to the equipment not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Industry Canada statement

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

CAN ICES-3 (B)/NMB-3(B)

FCC ID: 2ALRZ001

Electric rating

5V --- 900mA

Management Methods on Control of Pollution From Electronic Information Products

(China RoHS declaration) 电子信息产品污染控制管理办法 (中国RoHS声明)

Hazardous Substances Table

本声明是依据中华人民共和国电子信息产品污染控制管理办法（第39号）及相关标准：电子信息产品污染防治标识及要求(SJ/T 11364)。

部件 (Parts)	限用有害物质 (Hazardous Substance)					
	铅 (Pb)	汞 (Hg)	镉 (Cd)	六价铬 (Cr+6)	多溴联苯 (PBB)	多溴二苯醚 (PBDE)
摄像机 Camera	0	0	0	0	0	0

备注:

O: 此种有害物质在所有同质材料中含量低于 GB/T 26572 规定中的限量

O: Indicates that this hazardous substance contained in all homogeneous materials of such component is within the limits specified in GB/T 26572.

此表格列举了这些有害物质在我们电子信息产品的供应链中可能会被发现的环节，和封装产品的销售日期。请注意，上面列出的某些组件类型可能是也可能不是封装产品的一部分。

This table shows where these substances may be found in the supply chain of our electronic information products, as of the date of sale of the enclosed product. Note that some of the component types listed above may or may not be a part of the enclosed product.

除非另有说明, 所有封闭产品及其部件的环保使用期限 (EPUP) 均符合此处所示的符号。

只有当产品在产品手册规定的条件下运行时, 环保使用期限才有效。

The Environmental Protection Use Period (EPUP) for all enclosed products and their parts are per the symbol shown here, unless otherwise marked. The Environment-Friendly Use Period is valid only when the product is operated under the conditions defined in the product manual.

In the European Union, this symbol indicates that this product must not be disposed of with household waste. It is your responsibility to hand it over to a designated collection point for the recycling of waste electronic equipment. For more information, please contact your local waste collection center or the point of purchase of this product.

Safety and Caution Information

Temperature: This device is intended for use in ambient temperatures between 0 °C and 35 °C (32 °F and 95 °F). Avoid using or storing next to heat sources, in direct sunlight, or outside the intended temperature ranges.

Modify: Modification to thermal solution, device components or enclosure shall violate regulatory compliance requirements and may induce safety hazards.

CAUTION - Hot Parts!

Surfaces might get hot after usage. Wait one-half hour after switching off before handling parts.
