

EU Declaration of Conformity

Manufacturer Information

Name: **Huddly AS**
Address: Haakon VIIs Gate 5
0161 Oslo
Norway

Object of this Declaration

Product: Mounting Bracket
Model/ Type: 7090043790191
Trademark: Huddly

The object of this declaration is in conformity with the technical provisions of the following EU directives:

- The Restriction of the Use of Hazardous Substances (ROHS), **Directive 2011/65/EU Annex II**, and **Directive 2015/863/EU**

Compliance

The test samples of the products were found to comply with

ROHS: EN 50581:2012 / EN IEC 63000:2018

The applicable ROHS directive has been revised since Mounting Bracket were certified. However, a review of the differences between the EN 50581:2012 (old requirement) and the EN IEC 63000:2018 (new requirement) were conducted to judge the necessity of a re-certification of the Product. The conclusion is that the differences between the old and the new requirements are of such nature that it would not affect the present test results. By consequence, the Mounting Bracket is in compliance with both of the standards.

As a result, the CE mark was affixed to the product, and this Declaration of Conformity was authored.
